To whom it may concern,

I would like to recommend **Bryan Woolbert**.

Mr. Woolbert performs in various genres and styles and can easily adapt his performance to the desires of the audience. His vocals are impeccable and he is professional, personable and fun.

We have utilized Mr. Woolbert several times in the past to perform poolside during our Fourth of July Celebration! He has never disappointed the crowd and his performance brought life and energy to our celebrations!

Best regards,

Tom Angelucci
